8. Please see the following tips when making your contributions to the church:
 - If you are submitting a check without an envelope, mark the memo line designating where you want the contribution to go. If the memo line is not filled out, the contribution goes into the general fund.
 - When filling out your envelope and you put an amount in the "other" line, also designate where you want that money to go. If nothing is marked, that also goes into the general fund.
